

ASSIGNMENT SERVICES

Richmond Monroe offers full service Assignment preparation for both fixed volume and flow projects. Our documents are prepared and approved to meet county recording requirements in all 50 states and more than 3600 recording jurisdictions nationwide. We continually update our recording requirements database to maintain compliance with constantly changing recording criteria.

Our highly qualified team also specializes in correcting intervening chain of assignment problems. We can locate hard to find authorized signors and recreate missing mortgage assignments issued by failed, merged, acquired or unknown financial institutions.
