

LIEN RELEASE PREPARATION & RECORDATION

With Richmond Monroe you can streamline your entire release process. Since our inception in 1994, tens of millions of legally compliant lien releases have been filed on behalf of our clients. Throughout the years, our expertise in this document type has allowed us to program our software to allow for seamless modification to account for the varied and often occurring change in recording requirements.

We help to eliminate the challenge of managing data, images and paper files to prepare release documents for recording for our clients. Our team of experts can work with you and your team to create, execute, record and track release documents from beginning to end. With sophisticated technology, the most comprehensive databases in the industry, and a nationwide network of field abstractors, our services can help you reduce your costs and increase efficiency.
