

TITLE CLEARING / MISSING INTERVENING ASSIGNMENTS

Richmond Monroe has a nationwide database of Mortgage Companies and Lenders that we work with to help find missing intervening assignments. We will research and locate the signing entity, and from there have the assignment created and sent off to be executed. Using our sophisticated software application DokTrak, we have the ability to track the assignment from the moment it leaves our hands until it reaches yours.

FEATURES & BENEFITS

- Phone Call Process
- Letter Process
